BRAE DEPOT

PLANT HIRE/SHOP & FISHING TACKLE STORE

In response to public demand and to support our friends and fellow businesses in the North Mainland, we are looking for an exceptional team to take over the running of the hardware and fishing tackle shop, plant hire and on line sales in Brae.

We need a **MANAGER, SHOP ASSISTANT AND PLANT MECHANIC/ TECHNICIAN** who can work together across all parts of the operation, providing first class service to our customers, have pride in their work and a “can do” attitude to get things done. Previous sales/ shop or stores experience would be an advantage along with an interest in building or fishing, but comprehensive training will be given where necessary to the right people.

If you think you have what it takes to build up this vital part of our business, call **David Wagstaff** on **01595 694765** for an informal discussion and to request an application form.
